- **HOME RUN LIMIT & RESTRICTIONS (THREE-PLUS-ONE RULE):**

 - Once both teams hit three (3) home runs, each team may resume hitting home runs BUT at no time for the remainder of the game can they exceed the other team's home run count by more than one (1).
 - Once the home run limit for either team is reached additional home runs will count as a strike against the batter. See HOME RUN DEFINITION below.
- **HOME RUN DEFINITION:** A home run shall be defined as follows:
 - For parks with fences, a home run is a hit over the fence only. "In the park" home runs are unrestricted and do not count as part of the home run total.
 - For diamonds without fences, any and all home runs are counted and are restricted to the Three-Plus-One Rule.
- **GROUND RULE DOUBLE:**
 - A batter may advance to second base only if his/her ball travels under or bounces over an outfield fence.

BASE RUNNING RULES:

- The following activity is prohibited and will result in offenders being called out:
 - No base stealing.
 - No leaving the base until the bat makes contact with the ball.
 - No crossing back over the commitment line between 3rd base and home plate.
 - Runners touching home plate.
 - Throwing the bat.
- **DEFENSIVE INTERFERENCE:** Interference with a runner by a defending team player will result in an awarded base to the runner UNLESS the defending player is fielding the ball. This includes physical or verbal interference including yelling or obvious and intentional visual distraction.
- **RUNNER INTERFERENCE:** Runners who interfere with a defending player making a defensive play shall be called out. This includes physical or verbal interference including yelling or obvious and intentional visual distraction.
- **BASE LINE RULE:** Runners who run beyond three feet on either side of the base line to intentionally avoid a tag will be called out. Rounding the base with reasonable space is accepted and will be at the umpire's discretion.
- **HOME PLATE TAGS:** Tagging a runner at home plate is prohibited. Players who are tagged at home plate or any time after crossing the score line will be considered safe.
- **SAFETY BAG RULE:** Runners must always use the safety bag, (orange) at 1st base if there is an obvious play at 1st base, (example: infield ground ball).
 - Runners who fail to use the orange bag in this case will be called out. If there is no play at 1st base, either bag, (white or orange) may be used.
- **OVER RUNNING FIRST BASE:** Runners who run through 1st base and make an obvious motion towards 2nd base are considered still in play and may be tagged out.
- **INJURED RUNNERS:**
 - Players who declare they require a substitute runner may not proceed past first base on each subsequent at-bat for the remainder of the game.
 - The requirement for a substitution runner must be disclosed before the game starts unless resulting from an injury during the game.
 - Substitute runners must be the last player called out of the same gender.

PITCHING RULES:

- **PITCHER:** The fielding team provides the pitcher.
- **PITCHING ARC:**
 - The pitching arc must fall between 6' and 15' at any point between the pitcher's mound and home plate.
 - Pitches that do not fall within the 6' X 15' arc limits shall be called an illegal pitch and counted as a ball.
- **PITCH COUNT:** The standard pitch count shall be used. (Example: Maximum 4 balls or 3 strikes).
- **STRIKES & BALLS:**
 - A legally pitched ball that touches any part of the base mat before touching the ground shall be called a strike.
 - A legally pitched ball that touches the ground before touching the base mat or touches the ground only shall be called a ball.

FIELDING RULES:

- **CATCHER:** The fielding team provides its own catcher.
- **ENCROACHMENT:** Infielders must remain behind all base lines until the ball is hit.
- **INFIELD FLY RULE:** The SPO infield fly rule IS in effect.
 - **SPO "INFIELD FLY" RULE DEFINITION:**
 - The rule applies only when there are fewer than two outs, and there is a force play at third base (i.e., when there are runners at first and second base, or the bases are loaded). In these situations, if a fair fly ball is in play, and in the umpire's judgment is catchable by an infielder with ordinary effort, the umpire shall call "infield fly" (or more often, "infield fly, batter is out") and the batter will be out regardless of whether the ball is actually caught.
 - If "infield fly" is called and the fly ball is caught, it is treated exactly as an ordinary caught fly ball; the batter is out, there is no force, and the runners must tag up. On the other hand, if "infield fly" is called and the ball lands fair without being caught, the batter is still out, there is still no force, but the runners *are not* required to tag up. In either case, the ball is live, and the runners may advance on the play, at their own risk.
- **PLAYS AT FIRST BASE:** The first baseman must touch any part of the white bag to make a play at first base.
 - Runners will be considered safe if the first baseman touches only the orange bag.
 - The first baseman MAY NOT stand on first base or in the first or second base path IF THERE IS NO PLAY AT FIRST BASE. This is runner interference, (and is extremely unsafe). If a collision results, the runner shall be awarded one base.

- **POSITION CHANGES:** Are prohibited during an inning. A “no pitch” will be declared and play will return to where it was prior to the infraction. Players must maintain their same defensive position throughout the inning unless:
 - Injury occurs during a play and the player must be removed or relocated to another fielding position.
 - A defensive player must leave the game during an inning for other legitimate reasons.
- **BASE AWARDS:**
 - Runners on base will be awarded the base they are traveling to PLUS ONE for balls caught and run out of bounds or thrown out of bounds by an outfielder or rover.
 - Runners on base will be awarded only the base they are traveling to for balls caught and run out of bounds or thrown out of bounds by an infielder.
 - Runners standing on the base when the ball is run or thrown out of play will be awarded ONE BASE only.
- **FAKE TAGS:** Fake tags are prohibited. All runners will be awarded an extra base.
- **FOUL TIPS:** Foul tips caught by the catcher will result in the batter being called out regardless of the pitch count or height of the hit ball.

DISPUTES & APPEALS:

- **SETTLEMENT:** Disputes must be settled amicably between team captains and the umpire on site at the time of the dispute.
- **WRITTEN:** Appeals must be presented in writing within 5 days of the game date and be accompanied by a non-refundable appeal fee of \$60.
- **QUALIFIERS:** Only appeals that could affect the outcome of the game will be heard by the B.A.S.L. governing body.
- **DECISIONS:** Appeal decisions will be decided by the league convener.

PLAYER MISCONDUCT:

- **UNACCEPTABLE BEHAVIOR:**
 - Excessive swearing, fighting, intoxication, unruly or confrontational behavior is prohibited. Players may be ejected from the game by the umpires for exhibiting these behaviors.
 - All cases of player misconduct will be brought before the B.A.S.L. governing body for further assessment.
- **YELLOW CARD ASSESSMENT:**
 - First occurrence of player misconduct may result in a “Yellow Card” status assessed to the offending player by the league governing body.
 - This status will remain with the player until the season ends.
- **RED CARD ASSESSMENT:**
 - Players assessed with a “Red Card” status will be immediately ejected from the league.
 - Red Card status will be granted upon the following infractions:
 - Second occurrence of player misconduct from a Yellow Carded player.
 - Fighting or any other extreme circumstances.
 - Red Carded players are banned from the league for a period of 2 years.
 - No refunds will be granted to ejected players.
